

KING OF SPEED 10-MILE TIME TRIAL

17th May, 14th June, 5th July

Meet here **before 7pm** to sign on and pay your £2 entry fee. Under 18s must have a signed parental consent form and must wear a helmet.

You can park here if coming by car. There's room for a few. But do not obstruct the farm track nor the Eastfield road.

While you can also park at the nearby Park and Ride (where there are toilets) please note that the barriers go down at that site at 8pm, so you'll be cutting it fine to pick up your vehicle afterwards.

The race **starts at 7.15pm** where the road from Eastfield joins Musham Bank roundabout.

You ride south on the A64 to Staxton roundabout (**1-3**). Circle that and head back the way you came (**4-5**). At Musham Bank roundabout, go left (1st exit) (**6**). Go right (3rd exit) at the roundabout in Crossgates and continue to the roundabout at the north end of Seamer (**7**). Circle that and head back to Crossgates (**8**). This time go left (1st exit) to head back to Musham Bank roundabout. There, go left (1st exit) towards Scarborough (**9**). The finish is just beyond the garage on your left.

Return to the sign-on area (above) to wait for your time.

NB. The numbers on the map do not relate to 'miles'. They're just to make the sequence of arrows clearer.
